Forensic Accounting & Expert Witness

Support in every step of the way

We work closely with attorneys and clients to ensure that the positions we are taking are based on all of the relevant facts, with proper support.

Who We Are

ECS Financial Services is a full-service accounting firm that has been helping businesses like yours succeed since 1962. Forensic accounting utilizes accounting, auditing, and investigative skills to assist in legal matters, including investigation, litigation support, and dispute resolution.

Litigation Support

Our forensic accounting and expert witness team has the personnel and expertise to help with all of your litigation support needs. Whether you are

in need of an accountant with investigative skills to examine records for possible fraud, identify theft or embezzlement, someone to calculate a potential damage claim, or an expert to testify in a legal dispute, we can customize our services to meet your needs.

Our Advantage

At ECS Financial Services, we take pride in the quality and accuracy of our forensic accounting and expert witness services. We work closely with attorneys and clients to ensure that the positions we are taking are based on all of the relevant facts, with proper support.

Experienced Team

Our team participates in investigations, report writing, and testimony, as needed, for all cases. We utilize our accounting, consulting, and tax experience to provide useful, professional ideas and insight in all of our engagements.
