Internship Opportunities

Your first step to success

An internship with ECS is a key to a successful career. The experience gained will provide valuable insight for the future course of your professional career.

Experience

Nothing beats experience when trying to evaluate your options and make the right long-term career choice. The internship opportunities offered by ECS Financial vary and touch on almost any career path.

Our Advantage

ECS Financial Services is a regional public accounting and consulting firm. Because of our size and location, we can offer the optimal internship experience. At ECS, you will be given a variety of responsibilities in your area of study, as well as insight into how the firm manages client relationships. Our interns work on challenging full-spectrum client projects from start to finish. Since our staff is responsible for client management in its entirety, we are not “departmentalized.” Staff members are given the unique opportunity to learn all aspects of client responsibility, from audit and accounting to taxes and consulting. Interns get to assist staff at all levels with these assignments.

As an intern, you are given the opportunity to work in various areas and you decide, through your own experience, which areas suit your interest. Your internship will be invaluable in your future decision regarding the area of interest you wish to pursue.

ECS Financial Services Philosophy

Excellence is not our goal, it is our standard. Therefore, our officers and staff are highly trained and qualified experts in their own areas of concentration.

H1B1 Sponsorship

ECS Financial offers H1B1 Visa Sponsorship for permanent employment.

Potential Permanent Employment

We use our internship program as a springboard for possible future employment opportunities. While not a guarantee of employment, we endeavor to hire interns on a permanent basis. Since the inception of our internship program, we have offered full-time permanent employment to over 35% of our interns. For those interns who do an impressive job during their internship but do not accept full-time employment with the firm, we will provide a recommendation letter, which will be an important tool in your future employment endeavors.

Compensation

ECS offers competitive intern compensation.

Terms of Internships

We offer internships three times per year as shown below. Hours are full-time and overtime may be required, depending on the season. Interns are required to provide their own transportation, have daily access to a vehicle, and carry automobile insurance.

Housing

In addition to monetary compensation, ECS will provide housing for interns who are not from the area: www.ecsfinancial.com/InternHousing.aspx

Internship Schedule

Winter	January 1 – April 30
Summer	May 1 – August 15
Fall	August 16 – December 31

**Dates are flexible to meet intern availability*
