Employee Recruitment

Streamline your recruitment process

Through a series of tests and qualifying questions in the online application process, our software can quickly identify top candidates based on a variety of categories and filter through a multitude of candidates with ease.

Who We Are

ECS Financial Services is a full-service accounting firm, helping businesses like yours succeed since 1962. We have developed a sophisticated hiring platform that streamlines the process of employee recruitment and evaluation.

Streamlined Analysis

Through a series of tests and qualifying questions in the online application process, our software can quickly identify top candidates based on a variety of categories and filter through a multitude of candidates with ease.

Our team of IT programmers is committed to delivering exceptional service at every step, from adapting the recruitment software to your company's specific needs, to providing comprehensive support on an ongoing basis.

Our Advantage

The benefits to your company are substantial. Our recruitment and evaluation software will quickly identify top talent, reduce the time and expense of recruitment activities, and reduce turnover and attrition by recognizing which candidates are the best fit for your organization.

Employee Recruitment and Evaluation

- Streamline the recruitment process
- Reduce the time and expense of recruitment activities
