Multi-State Sales and Use Tax

Sales and use tax management the easy way

ECS will help keep your business compliant, reduce your audit risk and exposure, reduce overhead costs, and most importantly, eliminate the burden and stress of managing sales and use tax compliance.

Who We Are

ECS Financial Services is a full-service accounting firm that has been helping businesses like yours succeed since 1962. Our tax professionals are committed to delivering exceptional customer service at every step, including properly registering your company in the jurisdictions where you do business, preparing and filing of returns, researching tax rates and exemptions, and communicating with tax authorities to resolve any issues that may arise. The benefits to your company are substantial.

Outsourcing Benefits

Outsourcing provides the ability to call upon seasoned professionals without the cost of maintaining those professionals on a full-time basis. ECS will help keep your business compliant, reduce your audit risk and exposure, reduce overhead costs, and most importantly, eliminate the burden and stress of managing sales and use tax compliance. As a result, you are able to focus core staff members on other business critical activities.

Our Advantage

Sales and use tax compliance is not your core business, yet it can quickly result in exorbitant time and expense if not managed properly. Managing sales and use tax compliance is a logistical nightmare for many companies, particularly when conducting business in a wide variety of taxing jurisdictions. Our experienced tax staff is here to help, and has the expertise and resources to handle all aspects of the sales and use tax compliance process.
